

**PRODUCT PERFORMANCE (STRUCTURAL COMPOSITION):**

This FDA approved – NIOSH standard respirator mask is specifically engineered to comply with particulate and fluid barrier standard, N95/KN95/FFP3 commonly recommended by health authorities during pandemic and or other emergency situations.

\*not suitable for fire or steam\*

**SCOPE OF APPLICATION:**

This mask functions as a respirator and is suitable for all types of industrial and medical use and will function to provide a specific physical barrier to prevent particulate and fluid transfer of pathogenic microorganisms, particulate matter, etc. from directly penetrating the mask itself.

**INSTRUCTION FOR USE:**

Unfold the mask with the nose clip facing upwards, then attach the strap to the ear and adjust to fit into the nose clip.

**PRECAUTIONS:**

Check the packaging before use. Damaged packaging VOIDS mask for use. This mask is for ONE-TIME use only. If you have any discomfort such as breathing difficulty- immediately remove and discontinue use of mask.

**DISPOSAL:**

Masks used for bio-medical purposes should be considered bio-hazardous waste and disposed of as such.

**STORAGE CONDITIONS:**

This product should be stored in a non-corrosive gas, cool, dry, well-ventilated environment, and away from fire and or flammable items.

**DIMENSIONS:**

6.3in x 4.21in (16cm x 10.7cm)

**PRODUCTION DATE, PRODUCTION BATCH NUMBER, VALIDITY DATE:**

See packaging

**CERTIFICATION:**

FDA certified – NIOSH rated

**MEDICAL DEVICE PRODUCTION FILING CERTIFICATE NUMBER:**

To be included on packaging.

**DISPOSABLE**  
FOR ONE USE ONLY

**FDA CE**  
NIOSH Standard

**USAGE:** As shown below
